Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:

In use of the terminology, "means for attaching said desk pad to said extension portion", claim 20 clearly invokes the provisions of 112, 6th paragraph. The definition for the attaching means is clearly found in paragraph [0017] of the specification, and reinforced on page 2 lines 19-21, and figures 1, 2, 3, 3A, 4 and 6. At no point in the original disclosure is the attaching means provided on any other location but the extension portion. Therefore, notwithstanding arguments of counsel, the original specification clearly defines the attaching means as being located on the extension portion. Accordingly, it is the examiner's opinion that the prior art neither discloses, nor fairly suggests, a desk pad organizer tray formed from a plurality of superimposed board members with an extension portion and attaching means as arranged and claimed by the applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Drawings

2. The replacement drawings received on 30 September 2005 are accepted.
